Membership and New Club Development

August is normally recognised as holiday month but for Rotarians it is actually the month designated to Membership and new Club development.

Why do we talk about membership and club development? Because **impact starts with our members — people like you who want to be part of making the world a better place. At club meetings in communities across the globe, our members come together to strengthen their connections to friends and neighbors and their commitment to improving lives.**

Rotary International needs to grow in size to make good impact into the world so we need new Clubs in different areas and anyone of us can recommend a new town that could support it. Besides every club needs new members in order to be vibrant and active. **New members introduce new ideas, bring fresh perspectives, and extend your club's reach in the community.**

A good occasion to help our club growing is to support Membership and PR Committees on September, 8th to 10th at Shanghai Expat Show. You can volunteer or simply help spreading the word about our presence at the event with friends, colleagues, neighbors or any one you feel can be a good future Rotarian.

Highlights from the last meeting

This fellowship meeting was a very familiar one, it is even very easy to name all the fellow Rotarians who attended. President Moto-San chaired the dinner with Roger, Savas, Michelle, Diane and Lucrezia, visiting Rotaractor from Italy. At the beginning, President Moto San briefed the news of the RI President-elect Sam Owori's funeral services would have begun on 25th July and he would have been buried with state honors (as announced by the President of Uganda, Yoweri Museveni). A minute of silence was asked to be observed. Dinner started and Diane introduced visiting Rotaractor Lucrezia to attendees. Lucrezia is from Rotaract Club of Pistoia– Montecatini Terme, Italy. She got her Master degree in Italy with her major in accounting. After her master degree, she got 6 months scholarship learning Chinese in Shanghai Tong Ji university. She was recommended from a Rotarian from an Italian Rotary club. Our Rotarian Diane helped Lucrezia settled down in Shanghai and also helped her found an internship. Lucrezia very much appreciated the full support from RCS and over the dinner, she was very happy to share her 5 months student and internship life in Shanghai. Banner within the 2 clubs were exchanged. Meeting adjourned with a toast in memory of late Sam Owori.
