Rotary China Conference 2017-18

On March, 10th Rotary China Conference was held in Beijing. The conference was numerously attended by representatives from all Chinese Clubs. Some fellow Rotarians also showed up from Canada and San Francisco. Conferences are important to meet Rotarians from other clubs, share ideas, talk about projects and strengthen relationships to make our dream to change the world become reality. It is the moment to make the difference and get inspired by others. It is the moment to learn more about who we are, what we do, how we do it and continue to do it. It is the moment for greater fellowship and the Red Lantern Banquet simply showed the power and the happiness of warm hearts gathering together. If you never experienced a conference you cannot understand the core, if you did but could not attend this one you know what you missed and in both case, trust my advice, don't miss future events. It's more than worth.

Pradeep leading the Four Way Test

Highlights from the last meeting

A great and busy meeting! Secret ingredient to make it successful was time management and President Motosan took great care of it from the very beginning. Everything was so perfect starting from the Four-Way Test led by Pradeep, tonight accompanied with his beautiful wife Rita. Rtn. Thierry Melango immediately introduced visiting Rotarians and guests, followed rapidly by new member induction, Naomy Pena, sponsored by Tiziana. While enjoying the meal, President Motosan showed us the busy planning ahead which includes our Big Annual Party, this time jointly introduced by President Moto and PE Linnet. We can finally proudly announce that our party is going to be a fundraising event for our signature project- Gift of Life! A lot of work has been done behind the curtains and now it's possible to start fundraising thanks to the cooperation started with Shanghai United Foundation. President Moto explained all legal aspects and Linnet showed how it works, from how to donate and how the money will reach GOL. While talking few members were checking the link for the online donation and Rtn. Enzo Carrubba has been the first one to contribute during the night.

Newly inducted member, but long time committed to Service, Naomy offered us a nice report about past Saturday Service activity at Shining Stars, made possible by the support of Mrs. Rita Kumar, our contact with Mifan Mama.

Diane then introduced the Swimaraton which will take place on March, 18 at SCIS Hongqiao for Rotary family only. It is not only an awareness-raising event for Polio eradication but also to support the Interact China conference to be held at the same school on April 15.

Talking about Interact, we then followed the presentation of Hearts of Stars project directly from two of them, led by Marcus Tan, President of Interact Club of SCIS HQ. They are seeking for collaboration from our Club, their sponsoring Club: they need support in promoting their event Battle of Stars. There will be acknowledging for sponsors before, during and after the event through different channels. They want to make a difference, to create the impact, let's support them!

Classification talk was pure fun with Sam Tung: hospitality has probably never been so energetic. He told us about his early years in Hong Kong and then in the US, comparing himself to Bruce Lee and telling us about how he learnt about cooking, from his mum who has probably been his first mentor about "everything is possible". He told us about how he moves into local markets and how he passed on passion for food to his kids, now grown, teasing on him. To keep on with his passion for food, keeping fit is mandatory! He opened Remedy 365 and had lot of success, open a farm in Chongqing where he grows his own vegetables, worked hard but also had fun. Now he just started the new adventure "Beauty Bowl", Cantonese healthy dessert and drinks.

IPP Andrew then introduced news about our website. Some changes occurred already but there are still a lot to do and if anyone is willing to cooperate and offer articles to make the website more lively, he/she is more than welcome!

Saddle time experienced the strong leadership of Sam: lots of happy money and strong fights for items on auction.

You could think we already had a huge program but in fact we did not listen to our special guest Natalie's speech yet. She was firstly introduced by our Rita, that has to be mentioned she was finally pinned Service Committee Chair by President Moto. She has been serving all year without the pin, that's the spirit of Service above Self! Great Rita! Back to Natalie. Elevator pitch: what is it, how to find it and how to improve it. Don't think it can be for business purpose only, it is for daily life. First impression is extremely important. How you introduce yourself, how you stand, how you shake hands is how you present yourself. Everything comes even before you open your mouth and before you do, remember: don't be boring, be memorable!

Natalie made us think (not too much, actually cause elevator pitch is on about 30 secs.) then made us do some exercises. Some of us looked like being back to school. Then she called our Allan Mathieu for a demonstration: wow, Allan! You got inner elevator pitch!

Meeting ended with our President usual toast, tonight for your dream coming true.

Welcome Naomy!

Women’s Day 2018 message by RI President Ian Riseley

International Women’s Day, 8 March, celebrates women and their social, economic, political, and cultural achievements around the world. This year’s campaign asks individuals to #BeBoldForChange in working for a more gender inclusive world. RI President-elect Ian H.S. Riseley has also called upon Rotary clubs to seek more diversity in their membership, including improving the gender balance. In his address to Rotary’s annual leadership training event in January, Riseley noted that 103 of the incoming 539 district governors are women.

These are “leaders who will help Rotary connect with, and represent, and better service, all the members of all our communities,” says Riseley. Governors-elect Sandy Sava of District 5180 (California, USA) (left) and Dawn deFuria of District 7450 (Pennsylvania, USA) sat down to talk about the current and future state of women in Rotary.

RC Shanghai Central Carter Night

On March, 8th RC Shanghai Central celebrated their Charter Night as 21st new Rotary Club in China. The event was very well attended with a very large visitors delegation from Shanghai, RI Past President Gary Huang came from Taiwan. SR Frank Yih was one of the key speakers during such a beautiful evening fulfilled by Rotary Spirit. Our Rtn. Michel De Vriendt was there to witness the event for us.

World Rotaract Week – March 12-18

by Herbert K. Lau (District 3450 Rotaract Chair 1990-91-92)

World Rotaract Week is here! Are you ready? This March 12-18, Rotaractors worldwide will demonstrate how they make a difference in our communities through Rotaract. Will your club join our global movement of young leaders in action? Here’s how your members can get involved:

- 1. CELEBRATE SERVICE WITH FRIENDS AND FAMILY:** Show your friends and family how Rotaract inspires you—invite them to join for a service project. Ask your members and your sponsored Rotaract club(s) to participate, too, so your whole community can take action together.
- 2. CONNECT WITH ROTARACTORS WORLDWIDE:** Are you connected to Rotaract’s global community? Use the Worldwide Rotaract Directory to expand your network and exchange ideas with other Rotaract leaders. Find partners for international service, develop twin club friendships, and set up an online chat or hangout during your World Rotaract Week meeting.
- 3. ADVOCATE FOR EDUCATION:** Every child has the right to go to school. Stand with Rotary and millions of other youth, teachers, parents, and advocates to support the #UpForSchool global petition. Together we can create the biggest petition in history and show how Rotarians-Rotaractors can mobilize their communities to support education and literacy.
- 4. DEVELOP YOUNG LEADERS:** Organize a professional development workshop that brings Rotarians and Rotaractors together to learn with each other. You can have a resume writing workshop, host a session on presentation skills, or organize a Rotary-Rotaract networking night that connects emerging leaders with experienced professionals.
- 5. MARH is WATER and SANITATION Month:** Rotarians join hands with the “service partner” Rotaractors to observe this special month – Fellowship Through Service!
- 6. CELEBRATE YOUR SUCCESS:** Ask your sponsored Rotaract club(s) to recognize the positive impact made during World Rotaract Week. Remind them to nominate for this year’s Presidential Citation for Rotaract Clubs. June 30 will be the last day for Rotary and Rotaract clubs to report goals for the Rotary Citation.
- 7. JOIN OUR GLOBAL PARTNERS:** You’re taking action this week—what’s next? World Rotaract Week is the perfect time to plan your project for Global Youth Service Day (GYSD)! This April 20-22, join young leaders in over 100 countries in the largest service event in the world. Download the GYSD Toolkit, put your project on the map, and share your ideas online using #GYSD (<https://leadasap.vsa.org/>).

Thank you for being a part of a global movement of service through Rotaract!
