## The Changing Face of Rotary – World’s Youngest Rotary President?

Source: Rotary Great Britain & Ireland

### On the “Youth Service Month” , news from the world

The person thought to be the world’s youngest Rotary club President may well have taken the reins at Manchester’s newest club. Manchester Trailblazers Rotary Club is certainly living up to its name having recently named 22-year-old Martin Judd as their new President for the year. He is also among the youngest in Rotary’s 112-year international history, and for Martin, having the chance to lead the way is something he is relishing. “Rotary is often thought of as a club for older men but this is just not true,” Martin explained. “The idea of breaking the mould and helping to change the image appeals to me a lot.” That goes for Martin’s 18-year old girlfriend Nicole Harris too. She is the newest Trailblazers recruit, along with becoming the youngest female Rotarian among the Great Britain and Ireland’s 47,500 members. “Age has become a big issue in Rotary,” Martin added, “the pressure is on to generate the next generation who can take our international network into the future. Without younger members the proud history of this great humanitarian voluntary organization could grind to a halt.” Martin, son of a racehorse trainer, was born in Tokoroa on North Island, New Zealand, but moved to the UK in 2012. It was in New Zealand that he became interested in Rotary when school friends joined a sponsored youth exchange group to Brazil. So, in 2014, he joined the newly formed Manchester Trailblazers and was elected President Nominee within a year. Martin currently lives in Oldham, works in customer services at Manchester Piccadilly’s Waitrose branch and is studying for an Open University degree in economics and mathematical sciences. His targets for the club during his presidential year are to raise membership, boost the charity fundraising program and launch his own personal education and literacy projects.

“The idea of break the mould and helping to change Rotary’s image appeals to me a lot.” – Martin Judd

total headcount 51, 21 members, 10 visiting Rotarians, 14 Interactors, 6 guests Happy Money: 2200rmb

Our regular meeting started by traditional Four Way Test led by SCIS HQ student and Rotary China Interact Representative Mohammad, then visiting Rotarians and guests were introduced by our President Motosan, followed by banner exchange.

Some time for dinner and fellowship, then a new member was inducted chaired by President Motosan: Michael Sikora, sponsored by Albert. Michael's bilingual introduction was very impressive. He promised to bake some apple strudel and bring to next dinner to share. President Motosan then presented our planning ahead and reminded members to pay annual dues. There are two deadlines: one for those who prefer paying cash ~ June, 26<sup>th</sup> and one for transfers by June, 29<sup>th</sup>. This year annual fee will be 3,000rmb. Immediately after Tracy reminded our fellowship dinner on Tuesday, 29<sup>th</sup> outside Marriott, at La Bota. RSVP by May, 25<sup>th</sup>

Tonight classification time was up to our Honorary Member, Audrey Wang. She told us about herself, a born-in-Shanghai girl, now working for a US company. Despite her major in law she works in sales & clients relationship as a project management professional. She has various interest, like meditation, basketball, adventures and animals.

Rotaractor Dusan gave a report from one of Rotaract Club projects held the previous Saturday. The event, Chocolate & Wine was a great success: 11,021rmb was raised and donated to support equal access to education. The project is named School in a Box, linked to South Pond Kindergarten. Dusan also reported about Election of Rotaract Club, whose Gitasha Nath was elected as President. Saddle was then managed by Linnet and Tracy back from the US.

Rtn. Ludovic Anterieur then chaired the Interact Night and invited representatives from each club to introduce their club, sharing their project and their vision for the future.

SCIS HQ: 28 members, running since 2014, project including selling at students' bazaar, visit to children's home, Heart to Heart.
