Field visits with “Roots of Peace” team – a trip worthwhile going

~ by VP Tracy Hua

Last week, I had unforgettable field visits with the Roots of Peace (ROP) team to the farms in former DMZ, Quang Tri, Vietnam.

During the American-Vietnam War, more bombs were dropped on Vietnam than World War I and II combined. Quang Tri was the frontline, and famous battlefields such as Khe San, Cam Lo, and Vinh Linh remain contaminated with unexploded ordnance over 40 years since the war ended in 1975. 7 years ago, Roots Of Peace began working with local government to eradicate landmines/UXO/ cluster munition in Quang Tri province,

training farmers to grow high value crops.

The project went very successfully over the past years, I was there with Heidi Kunh, the founder of ROP and member of Rotary Club of San Francisco #2 (RCS’ sister club), and the delegation of 7 people to witness ROP in action. I am personally very impressed by Heidi’s high dedication, compassion and good energy she brings to this meaningful program and those victims of landmine explosion.

Roots Of Peace recently has received the Global Grant by the Rotary Club of San Francisco #2, and as well as the funds sponsored by RCS member Frank Yih, to plant trees on former battlefields in Quang Tri, Vietnam, aiming turn mines to vines!

Banner exchange

Secretary Tiziana chaired the meeting, for the first time with a quite busy schedule. Rtn. Alejandro became our photographer. The Four Way Test was led by Sophia for the English and Filippo for the Chinese one. Before having visiting Rotarians and guests introduced by David, Sophia, Chair or Membership Committee announced the transfer of Rtn. Christoph Wenner with a warm welcome. Christoph briefly introduced himself: CFO, transferred from Moscow to Shanghai, he feels home joining RCS because of Rotary value.

Immediately after banner exchange, Michel De Vriendt presented the 100 tree planting certificate to Randal, Sophia, Terri, Tiziana, David, Ranga, Albert, Filippo, Frank Mulligan, Carlisten, Jonathan, Alex and, he himself also won the certificate presented to him by Secretary Tiziana. Michel thanked PP Motosan for the lead of this significant project, and Rita, Chair of Service Projects Committee.

Information moment by David saw a nice Rotary Geography lesson: which is the most remote club? What about the highest or the lowest? Announcement time was also full of information: Secretary Tiziana reminded to submit the Vocational Service Occupation Survey as soon as possible. She also reminded to mark into calendar the date for our club Christmas party (Dec. 11th). Terri made a last call for the Golf Tournament and she also informed about YMY anniversary celebration invitation to our club on November, 18th. Michel spoke about our Election Day, November, 27th. It's very important to join and vote. Last but not least Frank Mulligan introduced new generation Youth Exchange Program (NGSE) between Germany and China.

Birthday cake time: only one month star was present. Albert. So all cake and songs were for him. His personal birthday celebration by RCS. Saddle time and kindly donated items by Michel and Jonathan for auction was led by our "money man", Treasurer Carsten supported by Richard. Clue moment of the night was the detailed historical presentation by our speaker Roy Delbrick. He took us on a China history moving journey through documents he collected along several years. Secretary Tiziana then ended the meeting with our traditional toast, tonight to all good stories we can collect and all good action we can deliver learning by history during our life.

2018-19 Presidential Theme: Back to Basic

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
