The Fine Art of Living ~ Alan Flesher

The world and our environment are in decline and we, as a human race, must do things differently through, "The Transformative Art of Caring!" To Preserve, Conserve and Protect our plundered Planet. And with the rapidity of change regarding AI and robotics, it will not obviously as we all know, be business as usual. Our speaker tonight will lead us into the fine art of living. Alan Flesher is a truly multidimensional artist: painter, writer, creative coach.

As a Creative Sphere of Influence **Beyond the canvas**, Alan Flesher's artwork is an expression of his artistic vision articulating what he feels in a very lyrical style. His deliberate compositions render the innocence and beauty of the ordinary supporting his passion to embrace the overlooked as precious, and the unheralded as noteworthy. And as a creative professional with an abundance of curiosity and talent, he produces competent work, artfully conceived, in many mediums with an unhindered freewheeling approach.

Also serving as a creative guide and thought partner. Conducting Art Bonding and Team Building Creative Workshops in Corporate settings. Where new conceptual thinking with a creative approach are essential for their hopes of future to evolve; ahead of the curve in a rapidly changing world. While thinking out of the box was an expression created in the box. It is most meaningfully accomplished by creating the box into which you think with originality that is the ticket to ride the future!

Flesher paints large-scale colorful landscapes, seascapes and still life with the eye of a child and the skilled hand of a seasoned first-rate artist. Fluidly representing his thoughts, ideas and feelings in highly individualized pieces. Participating in numerous Solo and group exhibitions with work in many private collections throughout the world. Recognized for his creative accomplishments accepting commissions for original works with paintings juried into prestigious exhibitions of national and international scope. Creating with dedication in his studios in USA and Asia; capturing the texture of life in China, the serene natural beauty of Palawan, Philippines and the immediacy of graceful decline in old villages in Vietnam and Europe.

Eager to explore and discover through passionate commitment as an inspirational painting teacher and gifted creative coach, he encourages those who dream of becoming an artist. Broadening their horizons to stand before their canvas of life, regardless of the weave, to paint with openness and joy . . . producing art for the sake of it throughout his entire lifetime believing that, "Terminal Immaturity is The Fountain of Youth!" Not about Fine Art as much as it is about, "The Fine Art of Living!"

President Linnet led three tables of Rotarians and guests to the Four Way Test, afterwards she asked Enzo if he knew what the Four Way Test is. With some reminder from President Linnet, Enzo correctly shared that the Four Way Test is the guiding principles for Rotarians for all the things they say and do!

Catalin was the Sergeant at Arms that evening and welcomed visiting Rotarians and guests. Catalin also doubled up as saddle person together with Enzo to collect happy money. Then came the January birthday cake. We sang the birthday song to Christian Kober and visiting Rotarian Artem H. The birthday boys took turn to cut the cake.

The highlight of the evening came when four Rotaractors delivered their IGNITE presentations. Miguel, Iryna, Ishu and Chloe all did a fabulous job. In 20min, we learned about Salsa dancing, Coffee, Football in China and Stories of the Deluge from around the world.

Meeting adjourned at 8:30pm with President Linnet toasting to Igniting our Rotary heart!

2018-19 Presidential Theme: Back to Basic

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
 Number of active Members – 67
 Honorary Members – 4
