## The power of Rotary , another successful story

~ Tiziana Richiardi

Every remarkable story starts with “Once Upon a Time”. Our story cannot miss it.

Once upon a time there was a Rotarian. During his daily work he noticed that his company was on about to throw into garbage over 400 notebooks they previously bought as promotional items but employees forgot to deliver to customers when needed.

Our friend could not stand such a waste so he contacted RCS Service Committee to see if these notebooks could have been beneficial to some students we support by our activities.

The engine started immediately. Partners who were currently living outside of China were contacted and a school in rural Anhui province was identified. In no more than 2 weeks the notebooks reached the students.

The moral of this story is that when good people gather together everything is possible. Doing good is easy. Good hearts and thoughts can make a difference, no matter how big, into someone else’s life. And not only, thanks to this well working machine, our world will be a bit more sustainable. Thanks Rotarians, thanks Service Committee, thanks RCS, thanks Rotary.

Announcement time was linked to saddle . President Linnet made a few questions to see if our members were aware of big appointments and those who failed to answer correctly would have been fined. Almost everyone was well prepared so we went back to traditional “happy-sad” money.

Birthday celebration was all for Secretary Tiziana, the only representative of March stars.

**2018-19 Presidential Theme: Back to Basic**

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

**Basic Info of our Club**

First chartered on 1 October 1919  
 Rechartered on 8 February 2006  
 Number of active Members – 67
