It was a very productive and informative meeting. In the beginning President Terri invited Diana to lead the 4 –way test. After introduction of 4 visiting Rotarians and 8 guests by Roger Owens we were happy to exchange the banner with RC Paris-Est. This was followed by a series of announcements and reminders. On October 22nd we will have a fellowship diner at Sophia’s place. It will start at 6:30 pm till the last visitor. Other important events “F.I.F.A.” and “ Blood drive” will take place this week. All members are encouraged to take an active part.

After all announcements we moved to the next part “Rotary Ignites”.

Rtn. Alex explained the idea of the society for pediatric burn survivors “Ruoshui” and Rtn. Ozgur introduced the environmental problem related to shipping. David Richardson did his personal introduction. He recently applied to become RCS member so his speech is truly helpful to us to know him better.

Saddle was chaired by IPP Linnet, supported by Rtn. Alejandro. Thanks to incoming kind donations for auction we raised 3400 RMB.

The meeting was ended by President Terri’s toast for a lovely evening, wonderful people and especially for the upcoming Centennial party.

Pagoda Portrait: Natalie Koeppe

Natalie and Thilo are model Rotarian couple. Natalie embodies true meaning of Rotary family with dedication in fellowship and service.

When did you join RCS and who was your sponsor:

I've joined in 2013 shortly after relocating to Shanghai with my husband Thilo, who was already a member in Germany and has sponsored me.

Where are you hailing from:

We moved to Shanghai from Munich, Germany.

What are you doing professionally:

After finishing my PhD in International Management with the focus on talent management last year, I have joined Adidas as Head of Talent Partnering APAC leading the regional talent agenda for about 10,000 employees targeting the identification, development, performance, retention and succession of talents.

What would you like to share with our readers about your family:

It seems like Koeppe family is deeply connected to China and particularly Shanghai. Thilo and I met in 2009 in Shanghai at the German Ball and in 2018 we have adopted Emma, whom we met at Baby Home in Pudong in late 2017.

What are your hobbies, apart from RCS:

As a family we enjoy maximizing our time together while being outdoors and active. We go for runs, enjoy scuba diving, playing squash, hiking, skiing...

How do you recharge your battery:

Although I do enjoy being active, to wind down I prefer just to spend some 'me-time', which is rare with a little one in the house ;)

Best/Last book you read and why:

'Radical Candor: How to get what you want by saying what you mean', an international bestseller by Kim Scott. Starting in my new role in May this year, I came across this book as a recommendation. Sheryl Sandberg refers to it by saying: 'It will help you inspire teams to do the best work of their lives'. That sounded intriguing. I'm still reading and definitely like it. Mind provoking.

Favorite place in Shanghai:

The Former French Concession (FFC). Funny enough, when we moved back to Shanghai in 2012 (which is our second term being here), I could not have imagined living in FFC and instead really enjoyed our apartment located in Jing An. Now, in our 7th year and having Emma, it seems that FFC just became the perfect place to live in a green and quiet area and enjoy the weekends walking the streets.

What is your advice to any new member of RCS:

Be yourself, find what the activity, project, committee you like and connect with members. The club is what you make out of it

Get involved as much as you can, the Rotary family is an amazing community – try also to attend a meeting while you travel!

2019-20 Presidential Theme: Connect for good causes

By RCS President Terri Lau

Terri Lau – President

Rotary provides the platform for a group of like-minded professionals, scholars, entrepreneurs, leaders in their own field to meet and to serve the community. Through the service projects we take the action to raise awareness to make changes, to provide service to others.

As a member of the non-districted group of 26 Rotary clubs, 10 Rotaract, 18 Interact clubs and a RCC in Mainland China today, I believe it's the perfect time to connect within our Rotary family. The joint talents and effort will benefit all parties for the good cause. I invite all members to take an active role, to participate in club meetings and activities. Three key words to define an active Rotarian in my interpretation: **Meet! Connect! Serve!**

Last but not the least: **We Celebrate!** Rotary year 2019-20 is a special year for RCS when RCS was first chartered on October 1, 1919. Only a few clubs have been chartered before. A hundred years later, RCS has become a club that connects for the good cause. Celebrate with us this very special anniversary.

Basic Info of our Club

First chartered on 1 October 1919
Rechartered on 8 February 2006
