2019-20 Presidential Theme: Connect for good causes

By RCS President Terri Lau

Terri Lau – President

Rotary provides the platform for a group of like-minded professionals, scholars, entrepreneurs, leaders in their own field to meet and to serve the community. Through the service projects we take the action to raise awareness to make changes, to provide service to others.

As a member of the non-districted group of 26 Rotary clubs, 10 Rotaract, 18 Interact clubs and a RCC in Mainland China today, I believe it's the perfect time to connect within our Rotary family. The joint talents and effort will benefit all parties for the good cause. I invite all members to take an active role, to participate in club meetings and activities. Three key words to define an active Rotarian in my interpretation: **Meet! Connect! Serve!**

Last but not the least: **We Celebrate!** Rotary year 2019-20 is a special year for RCS when RCS was first chartered on October 1, 1919. Only a few clubs have been chartered before. A hundred years later, RCS has become a club that connects for the good cause. Celebrate with us this very special anniversary.
