high-tech masks donated by Frank Yih, we raised a total amount of RMB 4000.

Dr. Holger Schober gave us a very interesting presentation for his induction talk.

Last but not least, speaker Leslie Chang brought much information on the Covid vaccines and equitable access to all. Future patient journey will be enabled by a vibrant ecosystem of digital innovators.

RCS YSC Interact Board Training

By Naomi H. Pena

Cancel? No way

This year, the Youth Service Committee pulled their socks up and facilitated our first online session on November 28th from 9:00am to 4:00pm with seven schools; ECNU Affiliated Bilingual School, Dulwich College Pudong, Shanghai Shangde Experimental School, Shanghai Nan Yang Model Middle School, Shanghai American School Puxi, Shanghai High School International Division - current and prospective Board members and advisers.

The training began by creating a strong foundation with Chief Adviser Moto and District Adviser Tiziana covering the compliance needs, the RI history, and District relations. Though lengthy, these sessions are imperative to understanding the legal parameters and history of our club. Tiziana included a fun quiz to engage students and Moto gave a comprehensive lecture.

Networking Adviser and RCS President Tracy expressed her desire to be more inclusive by extending invitations to join speaker and networking dinners, and plan projects with RCS and RaCS.

YSC Service Adviser Rita shared collaboration, team-building, and organization tips that transcend Interact club management and leadership.

To support Advisers, YSC Administrative Adviser Terri, led a session that analyzed the roles and built a better understanding and familiarity with their respective mentors.

Logistics Adviser Ludovic empowered students by sharing examples of service from our past and current clubs.

YSC Chair Naomi shared strategies for connecting Interact club aims to the school curriculum and mission statement, through embracing the areas of focus and the SDGs.
