## Handover Night

President Andrew (left) and IPP Dean (right)  
For more photos from the handover night see page 2

Last week saw the handover from our outgoing President Dean to incoming President Andrew. With 120 guests it was one of the largest handover ceremonies or possibly the largest handover ceremony the RC of Shanghai ever had. The guests included many visitors from other clubs in the region who were happy to join this joyful event. PP Dean took the opportunity to thank his board and also to give special recognition to individual members who had served the club beyond what is normally expected. President Andrew then proceeded to present his board and to provide them with their new pins. The whole event was enlivened by the wonderful Stretto Youth Chamber Orchestra of Greater Princeton and their 77 young musicians, who provided a wonderful performance. Good luck to Andrew and his new board.

### Presidential Theme 2016/17

On our Pagoda, with every Rotary Year you can find on the upper right hand side on page one a logo for the year. This logo represents the presidential theme of the RI president for this year. What does this years theme mean?

Rotary's founder, Paul Harris, believed that serving humanity is "the most worthwhile thing a person can do," RI President John F. Germ said, and that being a part of Rotary is a "great opportunity" to make that happen. Germ unveiled the 2016-17 presidential theme, Rotary Serving Humanity, to incoming district governors on 18 January at the International Assembly in San Diego, California, USA. "I believe everyone recognizes the opportunity to serve Rotary for what it truly is: not a small opportunity, but a great one; an opportunity of a lifetime to change the world for the better, forever through Rotary's service to humanity," said Germ. Rotary members around the globe are serving humanity by providing clean water to underdeveloped communities, promoting peace in conflict areas, and strengthening communities through basic education and literacy. But none more important than our work to eradicate polio worldwide, he said.
