Last Rotary Night was a sad and happy night all wrapped in one. Sad, because our dear Past President Dean had recently passed away. He gave our club new energy in difficult times, he loved China, his second home country, and his energy and passion pulled all along. In moving speeches Audrey, Andrew and David remem-

bered him and also a note from President Tracy, who also already was a member under Dean's presidency was read out. Dean passed away June 16th on the island of Hainan where he spent his very active retirement.

Fortunately JingFu, Terri and our former member Cathy were able to lift our spirits again. JingFu and Terrie by very actively auctioning off many many vouchers, mostly for stays in fabulous hotels and former member Cathy by giving an exciting and instructive presentation. Cathy now is the organizer of the "One Piece Club", a club dedicated to promoting contemporary art in Shanghai. She not only gave us a brief introduction into the development of the modern art scene in Shanghai, from early last century to its revival in 1978 and the flourishing years that followed, but also a much appreciated overview over which galleries, art fairs and museums are a 'en vogue' at the moment. Discussions lasted until 21:00, which highlights that many Rotarians are thirsting for culture.

Official Rotary Apps

Find the information you need, wherever you are, with Rotary's official mobile apps. Whether you're looking for a club to visit while traveling or friends to meet up with at this year's convention, our mobile apps make it easy to find all this and more on your smartphone or tablet.

Rotary Club Locator app

Find Rotary clubs worldwide with our free Rotary Club Locator app. You can search for clubs by keyword, country, state or province, district, and even meeting day. Or simply use the "Near me" feature to find clubs close to your current location.

Note that when you search for nearby clubs, the map won't display e-clubs. Use a keyword search to find information on e-clubs.

Features:

- Display a club's location on a map
- Search for clubs by keyword
- Search for clubs within 1 to 100 miles of your physical location
- Save your search results
- Add a club to your contact list
- View club officer information (available only to Rotarians and Rotaractors)

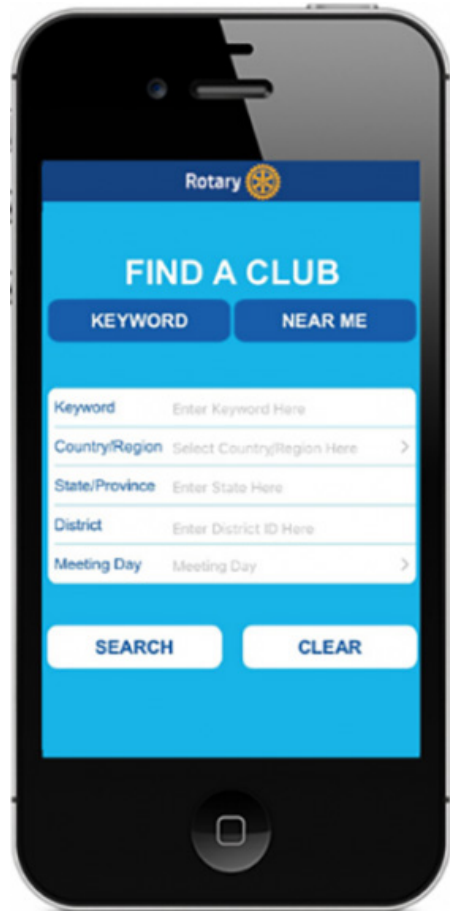

Update club data

Make sure people can find your club! If Rotary doesn't have your club's current location, ask a club officer to update it, either by entering the information [online](#) or by sending it to data@rotary.org.

Rotary Virtual Reality app

Rotary is harnessing the immersive power of virtual reality to create a more connected, stronger world. By connecting with people on a visceral, personal level, VR films can be a powerful advocacy tool.

Combining the power of Rotary's virtual reality app with a VR viewer and a smartphone, you can immerse yourself in some of the world's most vulnerable communities and gain a 360-degree perspective on the causes Rotary champions - including polio eradication and peacebuilding - and learn how you can take action to change the world.

Rotary Events app

Get the most out of this year's Rotary convention with the Rotary Events app. Plan your daily schedule, learn about featured speakers and entertainment, download session handouts, and connect with friends. Available in English, the app also lets you:

- Navigate the convention venue and House of Friendship using interactive maps
- Share photos and updates in the activity feed
- Connect with new friends and potential project partners
- Rate sessions
- Send feedback to convention organizers

The Rotary Events app also offers guides for participants of the International Assembly, Rotary's annual training meeting for incoming district governors.
