- Damage existing buildings and heritages
- Cause extreme climatic events; lack of drinking water

What makes a house intelligent? What does a passive house need?

- Insulation
- Air-Tightness
- Photovoltaic Cells
- Performing Windows
- Performing Doors
- Performing Windows
- Ventilation System with heat exchanger

Solutions:

- Pre-fabricated architecture - High-quality construction
- Shorter building time
- Low-energy standard buildings—Energy savings
- Reduction of water usage and recycling of water

Background:

Rtn. Michel De Vriendt's visit in Utsunomiya, Japan

I visited the Rotary Club of Utsunomiya in Japan on Tuesday, July 23rd, 2019, for the regular lunch meeting.

I was surprised that Utsunomiya is a City about 1.5 hours from Tokyo and the 10th largest City in Japan where dumpling (gyoza) are very popular - so I could feel a link with China.

Utsunomiya is a city of around 500,000 people and has 10 Rotary Clubs which is a tremendous growth of clubs since 1975 when there was only 1 Club.

My wife and I were well received at the regular Lunch Meeting of The Utsunomiya Rotary Club held at the Utsunomiya Tobu Grande Hotel. We were warmly welcomed by past President 2016-17 Mr. Hiroshi Ishijima, Mr. Yasuhiro Ohya, Secretary 2019-2020, and Mr. Sakai Makato, International Service. We also exchanged banners with the current Club's president and we met Mr. Takasuke Kondo, past DG 2007-2008, Mr. Yuji Kumamoto, Rotary Youth Exchange, and Dr. Itarau Ohita, Astro physician who has been in contact with Chinese universities and very interested in Tibetan culture. I was given the opportunity for a 10 minute speech included translation in Japanese which my wife Emiko kindly assisted me with.

I highlighted in a room full of men that our RCS President is a Lady for the second consecutive time in our RCs 99 year history. I understand that the RC of Utsunomiya has a Sister Club agreement with the RC of San Rafael and another Club in Thailand with whom regular visits are held including projects, fellowship and Golf activities.

We had 8 Tables with about 70 plus members present and timely 1 hour+ meeting.

This Utsunomiya Rotary Club is the oldest Club in the City going back to 1950s and I was impressed on how International this Rotary Club is and active & how many youth activities they sustainably diligently.

The connections with Rotary Club of Shanghai is made by an invitation to join our Centennial Gala Night.

Centennial Celebration Sponsorship Invitation

Dear Fellow Rotarians and Friends,

Rotary is an organization providing humanitarian service, encouraging high ethical standards in all vocations and helping build goodwill and peace in the world. "Service Above Self" is the principal motto of Rotary. Rotarians across the world volunteer in their own communities to support education and job training, provide clean water, combat hunger, improve health and sanitation, eradicate polio and much more.

To celebrate 100 years serving the community, Rotary Club of Shanghai is running a Centennial Party scheduled for October 19, 2019 (Saturday) at Grand Millennium Hong Qiao Hotel Shanghai. We are now asking for your help to gather sponsorship donations to continuously support in RCS projects and programs.

Enclosed you have a sponsorship package proposal. Please follow the instructions and send the Commitment Form by August 16, 2019 to Rotary Club of Shanghai at centennial@rotaryshanghai.org.

Thank you for your generosity and great support!

Yours in Rotary ,

Terri Lau / President 2019-20

2019-20 Presidential Theme: Connect for good causes

By RCS President Terri Lau

Terri Lau – President

Rotary provides the platform for a group of like-minded professionals, scholars, entrepreneurs, leaders in their own field to meet and to serve the community. Through the service projects we take the action to raise awareness to make changes, to provide service to others.

As a member of the non-districted group of 26 Rotary clubs, 10 Rotaract, 18 Interact clubs and a RCC in Mainland China today, I believe it's the perfect time to connect within our Rotary family. The joint talents and effort will benefit all parties for the good cause. I invite all members to take an active role, to participate in club meetings and activities. Three key words to define an active Rotarian in my interpretation: **Meet! Connect! Serve!**

Last but not the least: **We Celebrate!** Rotary year 2019-20 is a special year for RCS when RCS was first chartered on October 1, 1919. Only a few clubs have been chartered before. A hundred years later, RCS has become a club that connects for the good cause. Celebrate with us this very special anniversary.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
 Number of active Members – 59
 Honorary Members – 4

“Gift of Life” – Heart Surgery

Project

GOL provides life-saving operations their family cannot afford. Over 550 children with congenital heart defects have been saved under the programs executed by the Rotary Club of Shanghai.

Preventing Kashin-Beck disease

Project

The Kashin-Beck disease (KBD) is a neglected disease afflicting mostly poor areas of China and resulting in stunted growth, joint deformities and chronic pain.

The Object of Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

- 1) Act with integrity and high ethical standards in my personal and professional life
- 2) Deal fairly with others and treat them and their occupations with respect
- 3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4) Avoid behavior that reflects adversely on Rotary or other Rotarians
