The Questionnaire

When fellowships are virtual and in person meetings rare, it is difficult to get to know your fellow Rotarians better. The Pagoda and its numerous editorial staff have therefore decided to revive the questionnaire which Marcel Proust famously filled in twice in his life. This gives an opportunity for members to share their personal interests, quirks, beliefs and habits.

HIGHLIGHTS FROM THE LATEST MEETING

Well well, so much has happened last week...we were not used to so much people and so many talks! Back to the old dear Marriott, 17 members, one visitor and 4 friends had the honor to enjoy a sparkling evening full of news and updates from both some of our members and from the Club: our President Terri rang the bell and introduced one after the other the speakers, who briefly illustrated the situation of each single topic. We were happy to learn and acknowledge the activities successfully organized by our fellow Rotaractors members. Last but not list, we collected RMB 1950 Happy Money with 7 banners sold to Frank.

There are a few events scheduled in the next couple of weeks, please save the date of the following:

- The Grant Management Seminar that will take place on-line on June 20 in Chinese and on June 21 in English;
- DRFS will be on June 27, 9:30-11:30.

Invitation to collaborate with Youth Service

The Rotary Club of Shanghai is dynamic due to its extensive history of service, fellowship, networking, and its involvement in Youth development. Our club has a thriving and continuous Rotaract club (RACS) and six talented Interact school clubs. As Rotarians, we model the individuals needed to create a more inclusive, internationally-minded, and globally conscious world. We are responsible for instilling and growing these traits in our youth.

The Youth Service Committee hopes to provide the nurture and support required to help our youth club members develop professionally, academically, and personally. To do this, we need your expertise, skills, and talents. We kindly ask that you assist us in compiling a Personal Inventory of our club. This information will assist RACS in organizing their monthly professional development sessions and our Interact clubs in inviting experts to contribute to their classroom learning and service initiatives.

Thank you in advance for your support.
