A Gift from Shanghai to Bristol Rotary Club, Great Britain, 1929

It was the year 1929 when a stone from the Great Wall of China was donated by Shanghai Rotary Club to Bristol Rotary Club, Great Britain, via Mrs. Hawkins who was supposed to be a Shanghai Rotarian's wife. It is in pristine condition having being kept for 80 plus years in the leather travelling case it was transported in. As you all can see from the picture the name "The Rotary Club of Shanghai" is engraved on metal plate in perfect conditions together with the original leather case. This piece of interesting information comes to us directly on 17 August 2017 from Past President Peter J. Guttridge, Bristol Rotary Club, of which wishes to keep this special artefact into Rotary Family but recently they received some offers by two auction houses. It is well understandable that their goal is to raise funds for service projects.

Locally, Bristol is working hand in hand with the Meadow Vale Community Association to renovate a dilapidated community centre in Speedwell, one of the poorest and most neglected areas of the city. The refurbished centre will provide a community cafe and a range of vital social, medical and cultural facilities where none currently exist. The Club is aiming to raise upwards of £100,000.

Internationally, Bristol has worked for many years in Nepal funding projects to bring fresh water to villages and to rebuild schools following the terrible earthquake. Together with sister Rotary clubs, they raised £53,000 to alleviate some of the impact of that earthquake. The Club is also actively contributing to the worldwide effort by Rotary to eradicate Polio from the world with the support of Bill and Melinda Gates – and Bristol is nearly there!

Bristol Rotary Club is celebrating his Centennial Anniversary this year and extends his invitation to their Centennial Ball Celebration which will be held on Saturday, November 4th together with the same best wishes to Shanghai where would be the place of the 100 years of Rotary in 2019.

Highlights from the last meeting

Due to serious important issue, our President could not be with us tonight so VP Alejandro chaired the meeting in the name of Moto-san. We immediately started with the Four-Ways Test was led by Secretary Michelle and visitor and guests introduced by Zink.

Following the program, Andrew's "Pick an Artist" project was introduced to the audience. Together with a local Chinese NGO dedicated to help people in needs through arts, they realized a nice contest among 30 artists under the same theme "Rotary". Among the 12 finalists, podio was selected through our members votes. The project is an excellent start to support local people with special needs and to establish good Rotary image into local community on the same time.

During dinner time few announcements followed. SR Frank briefed the situation of Rotary China, which sees 26 Rotary Clubs in China, including 6 provisional clubs until now. We are growing fast, with great satisfaction! Ruby Chang, SR on GA was then invited to introduce the GOL project and defined NGO Organization under new charity law with a concern on how to present ourselves even better.

Thilo reminded about ExpatShow and informed that we are currently having 23 members committed for support on those days. Then VP Alex refreshed the invitation for our Fellowship dinner on 29th August.

Saddle time was led by Zink, supported by Sam Tung and we all got to know that Susanne will be soon leaving. Such a sad news to us.

Time for our speaker of the night, Jean Liu, who led us through the training program for rural area English teachers. Currently the situation is not easy at all with big shortage of qualified teachers and, unfortunately, very low attention on English education. Her aim is to offer professional background through tailored online courses, thanks to a rich experience in teachers training and a lot of international teacher resources. It's a long-term project which will start very soon by giving poverty alleviation in Shanxi, Gansu or Ningxia. Wish you all the best!

After the interesting speech, time for a toast offered by VP Alex to Jean and to fellowship taking part into our night dinner.
