## My trip to North Korea – Frank Mulligan

Frank Mulligan recently visited North Korea as part of a 10-year continuing support program for North Korean orphanages. Supported by Rotary Clubs from around the world, the program has built a trusting relationship with our North Korea partner, expanding from a single orphanage in Pyongyang to five orphanages all around the country.

Successfully completed projects have included solar ovens, solar heaters, pharmaceuticals, solar lights and food plants solutions. Most recently the program installed a number of solar heaters in the Haeju Orphanage in the south of the country, and plans are currently in place to install Kitchen Gardens in each of the five orphanages.

Given the level of deprivation in North Korea, the impact of these projects goes far beyond the norm for humanitarian aid. Frank will share his experiences and impressions of this closed society, in so far as anyone can.

24 members, 8 visiting Rotarians, 9 guests, total headcount 41  
Happy Money: 2870rmb

Our meeting started by traditional Four Way Test invitation by President Moto-San. This time the honor to lead us was given to our former member Tara Strunk. The beginning was with some Chinese pronunciation troubles, but she magisterially finished with friends encouragement. Visitors and guests were introduced by Christian Rink and traditional banners exchange this night was with RC Queenstown, RC Yangon and RC Singapore.

Announcements time sees the introduction of a very important notice about dinner meetings RSVP rule it is very important to reserve our seats before Tuesdays 2pm otherwise you will have to pay 280rmb for your dinner. The amount is so divided: 220rmb will go to hotel for your meal and 60rmb will go to the happy money and you may be served with different food depends on what the hotel has. The new rule will be effective from December, 5<sup>th</sup>. The purpose to encourage RSVP is for the hotel to prepare enough food to serve better.

Linnet introduced RCS Christmas market (24-25/11), a joint project with Marriott and calls for volunteers. If you want know who will be our Santa Claus, join the activity!

Terri had a nice feedback about our Golf Tournament in aid of Youdao Foundation: the kids who benefited of RCS support sent some "Thank you" letters.

Next was the call for volunteers on December, 10<sup>th</sup> for Library project. The goal would be beating our previous record in volunteers number.

Classification time saw the introduction of our Frank Mulligan. Engineer at first, working for government in a second time, ending up at nowadays as NYU teacher. He told us how his Rotary life started from his personal experience of knowing of Polio then he introduced the Rotaract mentorship program, giving 4 reasons why Rotarians should apply for becoming a mentor. After his explanation President Moto-san signed up!

Saddle time was jointly performed by Thomas Adaemmer and Thierry Melango. Thanks to extra visiting Rotarian Bridgette Tan's donation put into auction our saddle amounted to rmb 2870.

Monthly Birthday celebration had two representatives: Rtn. Mark Hunziker and our speaker Dr. Ioana Kraft

Clue moment of the evening: Dr. Ioana Kraft – China Manufacturing 2025 / Putting Industrial Policy Ahead of Market Forces speech. She offered several data about the decrease of European investments in China because of market access restriction but also due to lack of reciprocity in market access. She told us about the CM2025 Plan announced by Premier Li Keqiang in March 2015 which takes into consideration 10 key sectors. She showed us the Policy Toolbox with its main 5 points and the domestic and international market share targets by 2025 and their consequences. Recommendations for future China market are to move forward with domestic market – based reforms and support free trade and allow market share to be determined by competition, not government targets. On the other hand recommendation for European Business are to align long-term plans with China's industrial upgrade, to keep innovating to stay ahead and monitor state-steered mergers and acquisitions. Lots of questions came out after the speech and the replies showed a kind of pessimistic vision of Iona about the future. We then ended by our traditional toast offered by President Moto-san for a Win-Win relationship.

**ROTARY CLUB OF HANGZHOU AUTUMN EVENT**

Club of Hangzhou

- Extract taken from West Lake Times, Rotary Club of Hangzhou publication

This was a major undertaking project championed by IPP James Zhou. The event participation finally tallied 19 people including club representatives from Rotary Club of Shanghai and Rotary Shanghai Hongqiao. The formal program included a club introduction, video presentations by Special Advisor and Club Founder Frank Hoffman and Honorary Member Hongmei Liu. Cont'd: a BBQ dinner, overnight accommodation as required, a full walk around Westlake and breakfast. Hosted at Sofitel Hangzhou Westlake's Sky Garden and Kwee Zeen Restaurant, and taking in the World Heritage listed Westlake, the event was an amazing success for all participants. The club recognizes the commitment of IPP James Zhou in particular in championing the event and who planned, marketed, and co ordinated the event
