Shanghai Rotary Club Members served as Rotary International Officers 1919 – 2018

By Herbert K. Lau (劉敬恒) (Rotary China Historian) 1 July 2018

In Rotary China, Shanghai Rotary Club (1919) was, and is, one of the 3 clubs that provides the most number of Rotary International officers. The other 2 are: Hong Kong Rotary Club (1931) and Taipei Rotary Club (1948), respectively. **For complete titles/positions of Honorary Commissioner, Administrative Advisor and Special Representative, during different eras respectively please refer to the attach document.** All these types of officers were/are practically bearing the similar duties as the Rotary International President’s appointed supervisors in managing a group of Rotary clubs (may be within the same nation or located in different states) which are not yet qualified to be formed into a Rotary District. In the early years, the minimum number of clubs to form a District was 15. But, today, the minimum for a new District needed to be “60 clubs and/or not less than 2,100 members”. A Governor elected by the local Rotary clubs, is the officer of Rotary International in the District, functioning under the general control and supervision of the Board. The Governor is charged with the duty of furthering the “Object of Rotary” by providing leadership and supervision of the clubs in the District, and should work with District and Club leaders to encourage participation in a District Leadership Plan as may be developed by the Board. The Governor shall provide inspiration and motivation to the clubs in the District, and shall also ensure continuity within the District by working with past, current, and incoming district leaders in fostering effective clubs. The below list, in chronological order, provides some brief individual information of the 10 Shanghai Rotarians who had served as Rotary International officers:

Highlights from the last meeting

Rotary spirit showed up before our weekly dinner meeting. A couple of Rotarians from Maryland paid us a visit for banner exchange. They were in town for visit, unfortunately they could not stay for dinner but they made previous research to come on the right day, right time, right place to exchange their greetings. That's the spirit! Meeting started in a funny way thanks to a joke on "The Three Way Test" by President Linnet. Allan and Terri then shared the lead of the Four Way Test. Allan for the English version, Terri for the Chinese one. David introduced visiting Rotarians and guests and immediately after performed his duty as Information Officer presenting 5 facts about Rotary. Everyone had to pay attention because he announced that during Saddle he would have been making questions. Those failing the answer would have been "fined" so some of us took pictures. We laughed about cheating but we knew the act was not to avoid the fine but to keep the evidence of facts to avoid forgetting in the future. These 5 facts we will all remember. During the dinner President Linnet made a few announcements about STAR training on upcoming Saturday, 14th and she reminded us about the Summer Fellowship Dinner series starting next week and Adam's Ignite speech proposal. David handled our Happy Money just before running to the airport, another example of Rotary spirit: busy, in a hurry but still using his time to serve.

We then welcomed Dr. Andreas Winterfeldt as our new member. The moment was chaired by Enzo. His first time as Membership Committee Chair went smoothly and with humor. Andreas is a Rotarian transferring from RC Ingelheim am Rhein, Germany. He introduced his family and his career and expressed his happiness to join RCS. To be mentioned is that Andreas was tonight accompanied by his lovely wife. President Linnet then offered a minute to Rtn. Jeff during which he promoted team coaching pro bono. Any interest please contact Jeff directly.

Speech moment of the evening became a popcorn time. Lights went down and President Linnet displayed a very interesting video about Literacy and Education offered by Jim Marggraff during Toronto Convention. For those who could not attend the meeting and for those who attended but what to see it again you can watch on <https://vimeo.com/rotary/toronto-convention/video/276477945> - President Linnet had the possibility to offer Marriott General Manager Mr. Frank Sanders, on behalf of IPP Motosan, the Certificate of Appreciation for his Reliable and flexible arrangement of weekly meeting and special support for Rotary events including Christmas Market and Annual Party. Frank was very surprised about the recognition and had very nice words for us.

Finally Monthly birthdays celebration came. Nice discovery was that new member Andreas and Marriott GM Frank were among our Stars

President Linnet ended the meeting with a toast to literacy and education.
