As per new tradition President Linnet opened the meeting asking members to test themselves with the Four-Way Test. As we all understand it's not a real test but a way to remind ourselves which are the principles to be a good Rotarian and serves as guiding principle to be a better person in our daily life. David introduced visitors and guests and then introduced Rotary Community Corps.

Some announcements were offered during dinner time: Andrew introduced Sunday event at Songjiang Educational School to play with 5-14 aged kids: free bus ride, free activities, "to be part of the city". For more info, Wechat Andrew directly

Tracy reminded that Expatshow will happen on upcoming weekend. It's a PR event for our Club and everyone is welcome to join as volunteer or attendee.

Michel and Alain made a lovely summery about the Xining Tree planting visit they made together with President Linnet on past weekend Saddle was then led by Randal and few items went on auction. Time for RCS Ignite. Four speakers tonight!

Jeff talked about himself, university, wife and daughters, work and we discovered he loves Tai Chi.

President Linnet shared the lesser known side of her, how she uses knitting, crocheting, needle point and puzzles to help bring balance to life and manage stress.

PP Moto turned himself into professor and gave us a Japanese learning class. Now we shall call him Yamane San instead of Moto San.

PSR Frank recalled his Rotary moment by a ppt accompanied with music. Very touching into the nice memories.

President Linnet toasted for creativity & ignite.

David's back! introducing guests and visitors

Rotaract Club Assembly

The Rotaract Club of Shanghai had their club assembly on Monday 17 September. Event reserved to members and close friends only. They have presented history and values of Rotaract and Rotary, and aim to receive the Rotary citation to recognize their club.

They have also discussed the importance compliance in Rotaract, Rotary standards, and how to comply with it especially when advertising. Finally, they have finished their meeting by showing the next events and projects.

2018 ExpatShow

2018 Shanghai Expat Show took place on Sept 21 - 23, RCS booth was one of the best among all. We had a very strong and successful presence at the show, it's a joint effort made by RCS and the Club of Pudong Lujiazui. We met old friends and saw new faces, about 40 people showed interest to Rotary and would like to attend the weekly meeting to see what is going on. While we were promoting our brand we also enjoyed fellowship among our fellow Rotarians.

2018-19 Presidential Theme: Back to Basic

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
