Highlights from the Speaker Dinner

April 27, 2021

Dinner Attendance:

Members	14
Visiting Rotarians	05
Guests	06
Total Headcount	19

Happy Money: 7.600,00

Tuesday 27th of April has been a busy evening: Andrew directed the Four-Way Test. Immediately after, Christoph gave us an update about the 2390 Welfare Project and following was the introduction of our very welcomed new member Daniel Schubert.

Dinner has then been served. Rita invites David, supported by Tiziana, to help with the saddle: Bryce and Moto rang the bell.

Thanks to mama Carms who donated three delicious homemade cheesecakes, we made a profitable auction. The proceeds will go to support the students in Guanyinqiao and the students from Shanghai Sunrise.

It happened to be the April birthday dinner, but none of the birthday fellows were there, except our beloved guest Bryce who by chance was having his birthday the same day. He blew out the candles and represented the missing pals.

Afterwards our guest speaker Gabriele Ermacora introduced us his Hackability project: a community of tech enthusiasts that aim to build technology to help people with disabilities and make their lives better. Congratulations and good luck to him om being very successful with this amazing project!

Hey all!

We're really excited to be back with another SWEAT to end polio event on May 16th! This time we will be back in the saddle and spinning the calories away at SPINBACK. Spinback is shanghai's first indoor cycling studio. With its filtered air, multi-screen visuals, and pumping music we are guaranteed to get a great workout in and have a fantastic time; all while helping to support the fight to end polio.

The cost of the session is 200 RMB per person. Spinback has agreed to donate ALL of the proceeds to the Rotary International Polio Fund. With the generous support of the Bill and Melinda Gates foundation, donations to the fund are matched 2 to 1, effectively tripling your contribution! Please feel free to contact me to register. We are really looking forward to seeing you there and helping be a part of history in the fight to end polio!
