Night Program: Roy Delbyck ~ Conversation with a collector

Roy Delbyck collects printed materials on China and Hong Kong, largely from the first half of the 20th century. His collection comprises books, maps, photographs, letters, diaries, posters, postcards, directories and other ephemera. It continues to grow. Daily!

Roy will not only talk about what he collects, he will also speak on the what and why of his collection, how his collecting interests have changed over time, the fish that got away and the items he would grab in case of a natural disaster, while exploring the nature of collecting and how private collectors fill in the gaps, often going where institutions can't.

What motivates Roy are the stories behind and between the items he collects. We look forward to his stories, especially those regarding pre-WW2 Shanghai which occupies a major place in his collection. He will also highlight collection materials on Rotary and Rotarians. When not collecting, Roy is a US customs and trade lawyer with his own firm in Hong Kong where he has resided for many years. He is trustee of the Museum of Chinese in America based in New York and has served as a Vice President and Governor of the American Chamber of Commerce in Hong Kong.

Roy has spoken on collecting and his collection at the Hong Kong branch of the Royal Asiatic Society, Hong Kong University, City University of Hong Kong and the Yale Club of Hong Kong. Photographs and other materials from his collection have been exhibited at Hong Kong University and the Hong Kong University of Science and Technology.

President Linnet chaired the meeting by starting with the Four Way Test new way. Table 1 and 2 were in charge of the English version while table 3 and 4 had the Chinese one. Sergeant Sam followed by introducing visiting Rotarians and guests.

Following her new tradition, President Linnet shared a new trivia. This time she asked if anyone knew which was the most far away place from Chicago reached by a Rotary pin. The answer is: the moon! This happened thanks to astronaut Buzz Aldrin who planted a Four Way Test pin after Apollo 11 landed. He was an Honorary Rotarian and his father was a Rotarian.

During dinner time some announcements were offered. Our Club Elections on Nov., 27th: every member is warmly invited to take part in the process; Golf Charity Tournament on Nov., 18th in aid of Youdao Foundation.

Saddle time was up to Adam and Andrew. Rtn Michel donated 1000RMB and had the honor to ring the bell according to our club tradition. Michel was happy because the KBD Gift of Health project in Qinghai he chairs was approved by Service Committee so he invited Rita, SPC Chair and President Linnet together with Michel Lurquin, one of our project partner, to ring the bell.

Speaker's time: our guest speaker Elisa shared with us dogs habits and rules in a very humorous way. Easy to find yourself if you have a pet at home, but if you don't and planning to have keep in mind it could be like having an elephant in the room.

President Linnet ended with traditional toast, tonight for friendship and fellowship.

2018-19 Presidential Theme: Back to Basic

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
 Number of active Members – 66
