The last meeting was hosted by PE Rita, who underlined her different approach by asking one of our guests to actually read the Four-Way Test. This done, it was highlighted that our Gala Dinner is nearly fully booked - only a few seats are left. But so far only half of the participants have already paid - hey guys and girls, pay up! Alejandro asked for support with the blood donation drive. Blood is welcome but also volunteers are needed for helping the whole effort on donation day. For details approach Alejandro. Brent then proceeded to collect happy and sad money, seconded by Christian. Memorable items which were auctioned were two boxes of masks which Frank not only donated but also bid for and being the highest bidder, immediately donated to other Rotarians. Brent had brought along two propaganda magazines of the 1950s GDR - quite a unique find - and which he auctioned off. Noteworthy was also Brent in another way, namely through a donation encouraging PE Rita to toll the bell.

New Rotarian Thomas introduced himself and his interesting background, which took him from a country that does not exist anymore - Czechoslovakia - to the US, where he worked for the World Bank and then to China, where he worked in various positions, now for a semi state owned entity - quite unique among Rotarians.

Our speaker, Emmanuel Dean of Boomi, offered an interesting, even riveting, description of the current shortcomings of recycling. His key message: use less of everything, so that we need to recycle only as a last resort! Wise action to support a planet at risk!

Take Your Student to Lunch 2021

Shanghai Sunrise's annual "Take Your Student to Lunch" is an excellent opportunity to witness the positive impact that educational sponsorship has on the future of the students.

Over 175 people including students and sponsors gathered on April 10 to share experiences, deepen relationships and have some fun together.

Rita, mama Carmen, Elizabeth, Naomi and Caroline were there representing or Club and they had the chance to meet and have lunch together with two of the 7 kids RCS already sponsored this year.

We hope we will be able to increase this number in the future!
