Highlights from the last meeting

Supporting the community has a way of bringing people together in the best ways. Our January 4th meeting was the first session of our Career Empowerment Program, an undertaking by Rotarians Elizabeth and Tilman.

The premise of the program is to support the community through targeted mentorship. The CEP team asked community collaborators about their mentoring needs in the weeks prior and created an inventory of mentors to respond to these needs. Mentees from multiple backgrounds, including community collaborators Shanghai Young Bakers and Shanghai Sunrise, met with Rotarians, Rotaracters, and friends for life and career guidance and advice.

Vice President Naomy stood in for President Rita, whom we wish a speedy recovery, and did an excellent job guiding the proceedings, keeping things short and snappy, and using a lot of humor to keep the energy level high.

David breezed through the guest list while Elizabeth showed her multi-lingual skills by reading the four-way test. We enjoyed a fun tapas-style buffet while mentors and mentees got acquainted. After sharing the message of Rotary and why we take action, Elizabeth outlined the evening's objectives, including the role of standby mentors, and officially opened the mentoring.

We know the impact was meaningful because of the reflection and an excellent rendition of happy birthday for one of the mentees. With great energy, Rotarians Terri and Brent led us through the saddle, which started with an auction of a beautiful loaf by the SYB, gifted to Rotarian Terry by Rotarian Frank. AG Andrew gave us an update on Rita's health, and although we missed it due to the nature of the evening, we toast to her health and return. The evening ended with a group photo by our dear photographer Rotarian Ludovic, who, together with Tilman, captured the wonder of the evening.

We look forward to seeing even more participants at the next CEP session and invite everyone to our speaker meeting this week on China's Food and Service industry.
