Our last fellowship evening was honored by the presence of a large delegation from the Rotary Club of Hsinchu Elegant. We were treated to a life performance of the Rotary song. And in addition our club received a wonderful gift in the form of a large ceramic dish, handmade by Ms. Leco Zhang, its design symbolizing the Taiwan street, unifying Taiwan with the mainland and at the same time separating it from the mainland.

The golf tournament is coming closer and again Miguel reminded us to turn out in force. To underline this, he assisted Sergeant in Arms Simon to collect contributions, which were this time collected in a golf bag.

Moto pointed again out the rules of attendance and Frank highlight ominously that there will be an attendance review in January. Furthermore, overdue membership fees have to be paid by the next fellowship meeting.

Speaker of the evening was Kate Carrington from 'Heart to Heart'. 'Heart to Heart', like 'Gift of Life' focuses on treating congenital heart disease in children. One key difference between the two programs is the greater focus of 'Hearts to Hearts' on

aftercare. Also 'Heart to Heart' casts a wider geographic net, even helping children from as far away as Tibet. Impressive was that they a 100% volunteer organization as well, and therefore have 0% overhead or administration cost.

The evening ended with a Toast to the Rotary Club of Hsinchu Elegant.
