Why companies should implement a sustainability policy ~ Alizée Buyschaert

Alizée Buyschaert is one of the co-founders of Zero Waste Shanghai.

The Zero Waste journey started as a personal challenge but quickly transformed into a larger movement in Shanghai.

Alizée started by teaching workshops, but later started working with larger institutions to make an impact and work towards a more sustainable and green way of living.

The company was created in 2016 and offers workshops, consulting services, seminars and certification acquirement.

Alizée has been living a “close to” Zero Waste lifestyle for almost three years now and has led over 80 workshops in Shanghai.

Tonight Alizée will be talking about sustainability in China.

How the trend and regulations have changed and impacted the sustainability field and industry.

How Zero Waste is working with companies today, and the ways sustainability is helping businesses to grow despite the some misconceptions around this topic.

Our fellowship dinner started with President Linnet leading the Four Way Test, divided into two groups. Rear table for English and front table for Chinese. David, tonight Sergeant, introduced visiting Rotarians and guests.

During the dinner, few announcements were offered. Most of them are well known appointments, like our April, 13th annual party and related online donation in support of GOL, our club signature project and April, 14th Butterfly Football Cup. For this event, 32 teams already registered. Rtn. Enzo will have a team too so we invite every member to support his team. May, 18th Rotaract Run in Blue: 4th time in a row, this year in support of leukemic children. A new event was then introduced by Interactors Cindy and Mohammad. Their club will be holding Heart of Stars 2019. They need our support in promoting the event. Sponsors, participants, audience. All welcome.

Saddle time, maybe one of the most hilarious ones among the past fellowships. Led by long time no see Rtn. Ralph, supported by more often seen Danny. First of all Ralph rang the bell thanks to his happy donation then started challenging everyone in the room with questions about Wuhan, the city he is currently living in. Those who failed to provide the correct answer had to pay a fine. Actually also who replied correctly had to pay, but this was considered a donation, not a fine. So funny perspective. Someone even offered himself to pay in order to have Ralph stop talking. The result was very generous.

Speaker's time was no less engaging. Captain Tino took us on a flight through pilot's eyes, by sharing stories, secrets and comics about pilots and flights attendants' life. Luckily there was enough time for Q&A cause time was really "flying".

President Linnet ended by toasting for safe landing and safe travels.

2018-19 Presidential Theme: Back to Basic

By RCS President, Linnet Kwok

Linnet Kwok – President

I want this year to focus on Rotary's core values, **Fellowship** and **Service**.

With fellowship we create good service projects and through service we develop long lasting friendships. They are intertwined.

The arrows represents fellowship and service crisscrossing each other. The arrows also form a globe as we are an international organization and an international club.

RCS has over 20 nationalities. To create fellowship we need members, more members to deliver service projects and more members to grow the club.

To grow the club we need to work on our youth and PR. Many people don't know us or think we are a group of old middle age Anglo Saxon males! On the contrary, we are very diversified.

Basic Info of our Club

First chartered on 1 October 1919
 Rechartered on 8 February 2006
 Number of active Members – 67
 Honorary Members – 4

Inclusion Factory

Project

The Inclusion Factory gives meaningful employment and training to mentally challenged individuals under real market conditions.

Careers in Care

Project

Careers in Care tackles the issue of a growing aged population in China by teaching migrant workers to care for the elderly.

"Gift of Life" – Heart Surgery

Project

GOL provides life-saving operations their family cannot afford. Over 550 children with congenital heart defects have been saved under the programs executed by the Rotary Club of Shanghai.

Preventing Kashin-Beck disease

Project

The Kashin-Beck disease (KBD) is a neglected disease afflicting mostly poor areas of China and resulting in stunted growth, joint deformities and chronic pain.

The Library Project

Project

The Library Project has established over 1,800 elementary school libraries. It has put more than 1,200,000 Chinese language children's books into the hands of eager young readers.

The Object of Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

- 1) Act with integrity and high ethical standards in my personal and professional life
- 2) Deal fairly with others and treat them and their occupations with respect
- 3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4) Avoid behavior that reflects adversely on Rotary or other Rotarians
