Paul Harris' visit in Shanghai in 1935

This is an excerpt of "Paul P. Harris visited Shanghai and Hong Kong in 1935"

by Herbert K. Lau, Rotary China Historian

In 1935, Founder of Rotary Paul Harris and RI President 1934-35, Robert L. Hill, visited Shanghai. An excerpt from the President's report describes the experience:

We had a great evening and day in Shanghai, where we were greeted by Honorary Commissioner E. F. ("Peter") Harris, who has done such splendid work for us in China. We had a great night meeting in Shanghai, where they waited for us until late in the evening because of our late arrival. The following day Paul planted another tree. In fact, he planted a lot of trees on his trip. We visited with the Mayor of Shanghai, an honorary member of the club. We called upon the prominent officials. We had a luncheon meeting of the club and there found many nationalities represented, all getting along amiably and working for the common cause of Rotary. We met our other Honorary Commissioner for China, Dr. C. T. Wang, who has been working so diligently with "Peter" Harris. We met our good friend Dr. Fong Foo Sec, with whom we spent much time most interestingly and beneficially.

Our day in Hong Kong was well spent. The president, secretary and other officials of the club met us. We had luncheon with the president, later we had tea with members of the club and their ladies and garnered much helpful information relative to Rotary in Hong Kong. When we sailed from Hong Kong we were accompanied by representatives of every club in China and Hong Kong, with one exception. On the following day we held a conference on ship with all the representatives who accompanied us from China and Hong Kong. They manifested a great interest in a petition to become a regular district; they discussed classification matters as they apply to China and Hong Kong and many other subjects close to their hearts.

President Terri welcomed Rotarians and visiting Rotarians to the first official meeting after the summer fellowship season. The 4-Way-Test was conducted by Rtn. Thilo after which Sergeant at Arms Alex welcomed all members and visitors.

Before dinner started, the Director Pin was presented to Rtn. Thilo and Rtn. Christian for their contributions to Rotary.

Just before the main course started, President Terri announced details for the Centennial Party and asked fellow Rotarians to promote sponsorship packages. She then detailed the E-Waste to E-learning project and closed the announcements with a reminder about the Expat Show where RCS will have a booth from September 20th until 22nd.

After dinner, Happy Money was collected by Rtn. Thilo and was assisted by Rtn. Alex. Rtn. Thilo then got to ring the bell for his purchase of Cava sparkling wine at 2,200 RMB from President Terri. Happy Money totaled to 3,800 RMB.

Fellow Rotarian Sophia Slingerland gave a presentation about sustainable construction. She started with a definition and description of sustainability and carbon dioxide balance and compared buildings to thermos and normal glass bottles. A well-insulated building is like a thermo bottle, guarding and conserving energy, while a normal house is like a glass bottle where the content cools off quickly, wasting energy. She pointed out that, although we have the technology to build energy efficient homes, there is little incentive to do so. Even if energy efficient homes are more expensive to build, they amortize after 5-7 years in Europe due to the energy cost savings. Sophia then concluded that pre-fabricating the structures is a feasible way to build more economic and higher quality houses.

President Terri concluded the meeting with a toast to a sustainable environment and a prosperous future.

2019-20 Presidential Theme: Connect for good causes

By RCS President Terri Lau

Terri Lau – President

Rotary provides the platform for a group of like-minded professionals, scholars, entrepreneurs, leaders in their own field to meet and to serve the community. Through the service projects we take the action to raise awareness to make changes, to provide service to others.

As a member of the non-districted group of 26 Rotary clubs, 10 Rotaract, 18 Interact clubs and a RCC in Mainland China today, I believe it's the perfect time to connect within our Rotary family. The joint talents and effort will benefit all parties for the good cause. I invite all members to take an active role, to participate in club meetings and activities. Three key words to define an active Rotarian in my interpretation: **Meet! Connect! Serve!**

Last but not the least: **We Celebrate!** Rotary year 2019-20 is a special year for RCS when RCS was first chartered on October 1, 1919. Only a few clubs have been chartered before. A hundred years later, RCS has become a club that connects for the good cause. Celebrate with us this very special anniversary.
