Charity Duck Race

June 8 @ 6:00 pm - 9:00 pm

The Rotary Club of Daniel Island and other participating Rotary Clubs in the Charleston area held the twelfth annual Charity Duck Race, at Smythe Lake Park on Daniel Island. Established by the Rotary Club of Daniel Island in 2007, this fundraising event has grown each year since and now includes the following other Rotary Clubs in the greater Charleston area: Johns Island, Mt. Pleasant, North Charleston Breakfast, North Charleston, and the Summerville clubs. This year's race will be combined with the Daniel Island Property Owners Association's "Sounds of Summer" concert, featuring the band *Plane Jane*. There were food trucks, face painters, and balloon artists. **Whole families joined in the fun.**

The proceeds from this event are used to fund Rotary community service programs locally and around the world. Each of the participating Rotary clubs is designating one or more low country charities as named beneficiaries of the duck race. These charities represent a wide selection of local non-profit organizations focused on health and wellness, hunger and nutrition, housing and shelter, children and families, and education and

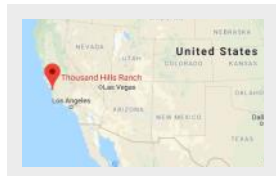

literacy. Over the past 11 years, this event has raised over \$1,400,000 for local beneficiaries and Rotary projects worldwide.

Kids Activities & Food Trucks began at 5:00 p.m. (Face Painting, Balloon Artist, Jugglers and more!)
 Duck Race began promptly at 6:00 p.m.
 "Sounds of Summer" Concert featuring Plane Jane began at 6:30 p.m.

Downtown Rotary supporting Operation Purple

The Ellensburg Downtown Rotary Club is partnering with Lazy F Camp and Retreat Center this summer to support Operation Purple.

Operation Purple offers a free week of summer fun at the Lazy F Camp and Retreat Center and is open to military connected children from all service branches including National Guard and Reserve, Coast Guard, National Oceanic Atmospheric Administration and the United States Public Health Services Commission Corps. However, priority is given to those children who have a parent that has been a wounded warrior, ill or injured and to those that have a parent or guardian deployed from September 2017 to December 2018.

Dave Burfeind, director of Lazy F Camp and Retreat Center, said couldn't be happier with the partnership.

"For the last 10 years, we have operated this camp for military children and it's a huge success. We receive great support from the National Military Family Association, but for the last several years we have come up short financially and had to rely on a funding from donors," Burfeind said. "This year, the Ellensburg Downtown Rotary Club has stepped in to help with the \$5,000-\$8,000 dollars that is not covered."

With sponsors and attendance at the Cattle Baron's Champagne Brunch on Labor Day, the Ellensburg Downtown Rotary Club hopes to help out. The Cattle Baron's Champagne Brunch takes place on Monday, Labor Day from 8 to 11 a.m. at Rodeo City BBQ. There will be live music and entertainment, homemade cooking served with western hospitality. And guests 21 years and older will receive a complimentary glass of champagne.

Last year Ellensburg Downtown Rotary Club partnered with Kittitas Valley Hospital and raised over \$10,000 dollars for the "Ouchless Pediatric Emergency Room" for children.

Summer Movies at Faurot Park

July 20

Come out and enjoy a movie under the stars and on the big screen. The movies are free and open to the public at the Rotary Pavilion in Faurot Park.

If you are looking for a fun family evening, the Lima Rotary Club has just the ticket. Come out and enjoy a movie under the stars and on the big screen. That Friday (7/20/18) was the first of two summer movie features at Faurot Park. The heartwarming and inspiring story of August Pullman in "Wonder" was showing July 20th. The movie began at dusk with pre-show activities an hour prior to showtime. All you needed to bring was a lawn chair, a blanket, bug spray, and the entire family. The Rotary will also be showing "Black Panther" on Saturday, August 25th.

The movies are free and open to the public at the Rotary Pavilion in Faurot Park.

Picnic Meeting to Honor Students

July 25

An excellent picnic meeting of Grand Island Rotary July 25 at the home of John & Linda Harbison. A chance to honor seniors from this year at Grand Island High School. Maria Schnettler and Elizabeth Kretevski received \$1000 scholarships to help their further education, while they and 7 others – Sara Wolcott, Arthur Meaney, Abigail Czerwonka, Jenna Tavano, Megan Shickluna, Yusaf Mojawalla and Megan Staley, all received Student Recognition Awards in honor of their service in the local and nearby communities. Those awards, plus induction of new Rotary member, Faye Teluk, made for a full evening, but we still had time to eat (of course, we always do)! The combination of students, 13 Rotarians, several parents and other friends produced a full evening of fellowship.

9th Annual Charity Concert & Auction

August 18 – Philipsburg's Outdoor Amphitheater, 2p.m. – 7p.m.

Auction between bands: Golf & Wine Adventures, Float & Fishing Trips, Artwork, Tools and More! All proceeds to charity. Food and Beverages on site all day. Tickets: \$25 Advance/\$30 Day of event

All proceeds from the concert will benefit community activities and local charities.

It's becoming a favorite Montana summer tradition. A party the whole family can enjoy. The popularity of Philipsburg's August Concert has many people returning year after year. The all day event

takes place at Winninghoff Arena and will be held this year on Saturday, August 18th. The gates will open at noon and the main show will run from 2PM to 7PM.

"There is simply nothing like Pburg in the Summer and this event is the highlight of it all. It's

our 9th in a row and folks just love coming here,” said this year’s Concert Chair Leeann Tenesch. “We are excited to have both Kelly Hughes’ Band and legendary Blues performer Sammy Eubanks band booked for the August show. Plus we have Spokane’s four-time national champion fiddle player Justin James. So lots of country/rock and blues which is a blend people tell us they really enjoy. It’s going to be a great day of music, award-winning local brews, a limited list of cool auction items, food booths and it all goes to charitable causes. Gates open at noon and there will be food and beverages from then on all day.”

Winninghoff Arena is a terraced, grassy amphitheater which the Rotary Club constructed above the town’s new ice rink. It can seat up to 3,000 concert goers and is well known for its great acoustics.

Two years ago the Rotary purchased land adjacent to the rink to create a food court area during concerts. The concert site is literally in the heart of the historic mining town. Concert goers receive wristbands that permit them to leave the arena any time during the event and walk the half block to the beautifully restored downtown area.

“This year we decided to add a limited number of high-end auction items between the bands,” explained Tenesch. According to Tenesch the auction items include float trips, lodging, a Napa wine tour package and golf at top courses. The list is not finalized as the Rotary Club is still receiving items. Over the last decade Rotary events at Winninghoff Park have raised more than a quarter million dollars for park improvements and local charities.

Friends and families of all ages are encouraged to bring blankets, lawn chairs, and umbrellas for comfort in the grassy terraced area of our Philipsburg Outdoor Amphitheater. This provides for excellent viewing, listening, and dancing opportunities while enjoying the event! Handicap seating will also be available.

Trash Pickers Extraordinaire!

May 5

Saturday, May 5th, dawned early for some Rotarians.

That morning around 7:45am, 4 groups of neon orange vests were spotted along a 2-mile stretch of Alt 19. Thank you for the hard work and dedication spent to keep Dunedin delightful for those who live here and those who visit. New member Becki Bellino even found a lottery ticket, but alas, it wasn’t a winner.

Club supports veggie gardening-feeding program

With nutrition being one of the Club’s strongest advocacies, it is no wonder that supplemental feeding for undernourished children has been among our longest-running projects. We just entered into another of its incarnations—feeding and gardening, with Phil Atkins, an Australian and friend of Dir. Mike Escaler, as primary advocate and proponent. It was Dir. Mike, who has been supporting the project for 15 years, who recommended the project to the Club for funding assistance.

At last week’s meeting, the club handed to Phil a check for P50,000 representing the club’s contribution as project

partner. And last Wednesday, May 9, Pres. Jun Jun Dayrit and Dir. Mike motored to Zambales to visit the site and personally observe the project.

The project is anchored on organic vegetable gardening, forward-integrated with a feeding program for 600 school children at the San Isidro Elementary School in Castillejos, Zambales. Phil hopes to expand the coverage to serve an additional 300 to 500 children.

The organic garden covers half a hectare of land, where they grow a variety of vegetables such as ampalaya (bitter melon), tomato, eggplant, okra, pechay (local bok choy), cucumber, lettuce, and broccoli, among others. They use composting to produce organic fertilizer and the produce they harvest is used as ingredients for the meals they serve the kids three times a week.

The project has several components: training on organic gardening, establishment of a nursery, establishment of a composting facility, and rehabilitation of an existing water system. In addition, there's active community participation, with the parents given responsibility for operating and maintaining the garden and the Office of the Municipal Agriculturist serving as project implementor.

Total funding has come up to P155,800, P50,000 from RC Makati, the rest from Rotary Clubs and Rotarians in his home country, Australia.

Gift of Light

Posted on July 2, 2018

During the summer members of the Rotary Club of Sampaguita Grace Park and the Rotaract clubs of University of the East Caloocan and University of Caloocan City went to Wawa Dam, two hours from the bustling streets and towering buildings of Makati and Manila. What they were seeking lies far beyond the water reservoir. Not far from the dam, nature takes over. An hour and a half by foot later, they finally arrived at their destination. Nestled in the deep part of the trail is something one would not expect to find – a community of people, thriving on farm lands where the basic mode of transportation is walking or through a raft. The nights are only illuminated by the night sky because there is no electricity.

In the previous issue of Pagoda, you have read a historical article: “Cosmopolitan Shanghai” from the Rotarian of March 1932.

The author was Lillian Dow Davidson, wife of Rotarian James Wheeler Davidson. At the time of publication, pagoda’s editors had not found a photograph of Mrs Davidson.

Our dear historian Herbert K. Lau has been able to find one photograph of her!
