## Brazuca – Soccer Training for Disadvantaged Children

Co-Sponsored by the RC Shanghai, children of migrant workers had the opportunity to learn soccer and to interact with a wide range of foreigners, to have five days of fun. 20 supporters ensured that the 20 kids were well cared for and the Brazilian coaches naturally were a guarantee for soccer quality.

Yet it was more than just about fun. There were instructions in soccer and training practices, there was a routine to follow, with a camp song and a daily notebook to write down what was special and what had been learned. Thus it was overall a valuable lesson in structure and independence, especially important for these young kids who are far from home and have busy parents.

A few pictures will say more than a thousand words of text.

The four way test

Highlights :

The hot summer months have come to Shanghai and many Rotarians are out of town, enjoying cooler weather or better air somewhere else. Therefore attendance was low this time, with only 2.5 tables actually occupied.

President Dean presided over the proceedings and introduced one of the board-members (Alejandro) and one new member, Dan, as well as our speaker Ilona Kraft. Tiffany then did guide us through the Four-Way-Test and Alejandro introduced visiting Rotarians and others. Dean reminded us of our commitment to support the Annual Fund of RI with 100US\$ per member of our club. In order to be able to make this donation everyone needs the international ID number which David will mail out to us.

Thilo Koeppe surprised us with an amazing news. The Taicang Handicapped Workshop has received a matching grant of 1.17mio EURO. This opens totally new opportunities for the Taicang projects!!

After this we were treated to a presentation by Ms. Kraft on the results of the Business Confidence Survey of the European Chamber, which this year saw a decline in overall confidence.

The meeting was adjourned with a toast to the Shanghai Rotarians and a group photo.
