Before he founded the Hong Kong incorporated consultancy Telos Pi, he served as managing director of Fronius China, a European headquartered technology leader in robotics welding, battery charging and photovoltaics. Earlier stations in his career include a stint as technology attaché at the Austrian Consulate General Shanghai, and two assignments in the technology law industry with a Vienna based technology transfer agency and an international law firm.

Knut holds a Masters of Law and specialized in intellectual property and technology transfer, as well as a Bachelors in Far East Asian Studies and specialized in Chinese social psychology. He is fluent in German, English and Chinese and lives since 2009 with his wife and two children in Shanghai. He will join us tonight to speak about the future of work and will provide some scenarios thereto.

Highlights from the last meeting

Another successful meeting, very well attended in terms of numbers. We started by the Four Way Test led by Rtn. Christian Rink, followed by Tiziana introducing visiting Rotarians and guests. During announcement time President Motosan reported about Rotary China Conference in Beijing and how our club was quite well represented in number of participants. Not only, our Club was recognized by No.1 Club in terms of donations to Rotary Foundation. Be proud of yourself! Our Annual Party (April, 7th) was then jointly introduced by Tiziana for party details, Linnet for GOL donations and Terri for raffle tickets. That's what we call a team! Diane introduced the Swimathon taking place on Sunday, 18th to support Interact conference. Classification time saw the moment of Rtn. Diane(a) Russell. From the very first moment we could feel how super international she is. Third generation in Rotary, she has been growing in Rotary spirit, with passion for mechanics and for drawing movement. A carrier as Creative Director for several important companies, including big ones organizing big events and sports opening ceremony videos. Moved from advertising to medical illustrations up to now were she is leading the creative team of a digital company. She participated in Tedex program, she has a special friend – her bird -, she dances salsa. Rotaractor turned into Rotarian up to becoming District Rotaract Committee Chair.

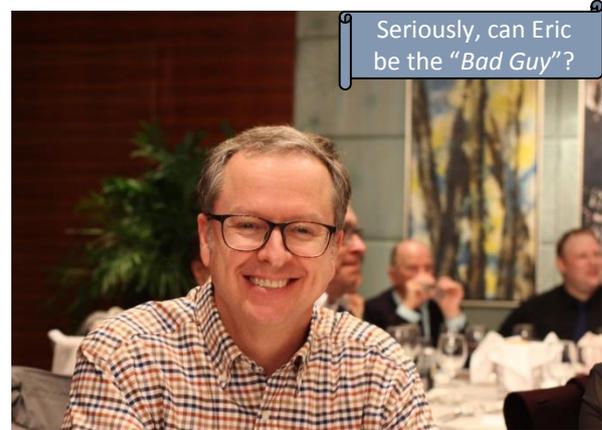

We then had the pleasure to listen to visiting Rotarian Mrs. Heidi Kuhn special presentation, firstly introduced by our SR Frank Yih. Few of us already met her in Beijing during Rotary China Conference and having her talking at our club has been really special. Incredible powerful inspiring woman she told us about her life in Rotary but most of all she told us about her projects and dreams, from Roots of Peace to turn Mines to Vines and China Camp in the US. To write them here it will take too much time and the meaning could be lost. Editor warmly invite you to visit <https://www.rootsofpeace.org/> and <http://sfrotary.com/event/rotary-luncheon--china-camp-1>

Saddle was handled by our Frank Mulligan helped by Terri and has been happily prolific. Tiziana and Catalin were the representatives for monthly birthdays celebrations just before the clue speech moment. Everyone was waiting for this moment and Eric Heise did not disappoint our expectations. His presentation has been interesting and funny at same moment. For a person who was told by his family he would have not ever earn his living by movies, not bad being an actor for over 10 years in China most in TV series production where most of times he is the *BAD GUY!* Hard to believe it if you met him, but this can only reinforce that he is really a very good actor. He is currently working on a Chinese “Loveboat” production and we will soon see him on screen. He also works as model, host events and voice over. He told us lots of stories and anecdotes.

At the end, we ended our meeting with traditional toast offered by President Motosan to true fellowship.

Seriously, can Eric be the “Bad Guy”?
