Last week we welcomed the Rotarians for a fellowship dinner at the Darroch's restaurant in the less-discovered part of Hongkou. Housed in Duolun Road, it is a famous street that have housed visionary Chinese writers such as Lu Xun & Xu Zhimo in the past, and walking in it seem to have traveled back in time to experience what the European-styled streets were like back in the 1920s, and along side there are the boutique cafes, antique, Chinese paintings & calligraphy shops to add more charm to it. Although it is a bit further out from the city center, we still had a great attendance of 20+.

Terry Chu, recently fresh out of quarantine from trip back to Canada, gave a wonderful presentation on the recent updates of the Gift of Life project, including what our sister club the Rotary Club of Kunming had contributed in curing of the kids with congenital heart disease, and our club's own effort too. Visiting rotarian from Rotary Club of Hong Kong Island West, also ex-member of RCS, Charles Cheng was in attendance too. He gave compliments to our president Rita Malvone, and congratulated to Terri Lau, Chair of the Gift of Life project on a job well-done, and thanked Terry Chu for the wonderful updates.

Everyone had a lovely time dining at Darroch's while enjoying the historic street view outside. The next fellowship dinner coming up will be on the 21st of December, and it'd be a special festive version, definitely not to be missed. Stay tuned for more details.

Run in Blue 2021 Supports GOL

You could hear them laughing before you could see them running in a torrent of blue t-shirts that took over Suzhou creek for the 2021 Run in Blue. The Rotaract Club of Shanghai successfully organized the 8th annual Run in Blue by partnering with URun China to host the 5K. This year's cause supported the Gift of Life project in collaboration with the Rotary Club of Shanghai.

Hosted at the Iconix skate park in Hongqiao, over 80 runners hit the track for the much-anticipated event. Running (shuffling, dancing, slogging, and skipping) along the riverside, participants were able to complete one large loop at their own pace with a squad of cheering volunteers ready to welcome them at the finish line with their very own medal. With runners ranging in age from 5 to 70 years old, this annual fun run helps bring the community together around a cause dedicated to children's health and education. Sponsors for the 2021 Run in Blue included GIC, Asian Tigers, Shangde Experimental School, Zrou, Senator International, CIECAS, Build., Starlim, Times Grocery, and Sherpa's. After the run, participants stretched their hands to the sky with a yoga class, shimmed their hips in a salsa class, practiced the ancient martial arts of Wingchun, and tried to not fall over in skate boarding classes.

2021 had a lot of covid related challenges, so a special thanks goes out to the core volunteers for this Run in Blue: from The Sino-British College, USST led by Sharon McElhinney for stepping in when we desperately needed logistics and PR teams, Kylie Bao of Fudan International School for organizing the volunteers and her students for being volunteers, and to the students, parents and faculty of the Shanghai Shangde Experimental School, who were determined to support this event they created a framework for and hosted a school-based.
