Of the things we think, say, or do:
 对于我们所想、所说、所做的事情,
 我们应该事先扪心自问:

1. Is it the **truth**?
 是否一切属于真实?
2. Is it **fair** to all concerned
 是否各方得到公平?
3. Will it build **goodwill** and **better friendships**?

Highlights from the last meeting

Masterfully led by our VP Jeff, we held a cozy meeting in the restaurant of our new home, Hualuxe, with some first-time visitors and some old friends who came all the way from London to attend our meeting.

They witnessed a very insightful and important presentation by our new member, Joanna CF, on “Do’s and Don’ts for MNCs in Cross-border Data Flow.” A senior lawyer, Joanna spoke about administrative and criminal legal risks in cross-border data flow and how MNCs should deal with them. She also mentioned some related cases.

RMB 1,976 of Happy Money was collected for the support of Will Farm.

SAS Interact set up a booth with a ring toss game for the younger visitors. Prizes were freshly made juice with the proceeds benefitting school programmes.
