

## Project Summary

---

### PROJECT: "Water Project"

---

Two clean water projects in QingHai province on the Tibetan Plateau in order to benefit the Tibetan herder community:

1. Oct 2013 – Chetsa 1
2. Apr-Oct 2015 – Chetsa 2

### Targets

---

- Both projects were to reduce the need for women and children to travel distances of up to 15km to collect and return with fresh, clean water
- Chetsa 1 – lay pipe work from the existing mains source to several stand-pipes in the community, reducing the maximum journey to 5km
- Chetsa 2 – build and connect a 100 tonne water cistern to allow continuous, uninterrupted, clean water supply to the community throughout winter

### Major achievements

---

1. Direct health benefit to 2100 people and their herds
2. Cessation of conflict between villages over water supply
3. Maternal and child health improved dramatically due to sufficient water for cleanliness
4. Economic development

### How can you support?

---

No further support needed for this project.

### About Rotary Shanghai

---

The Rotary Club of Shanghai (RCS) is a not-for-profit organization and part of Rotary International, a global charity organization with around 1.2 million members in more than 34,000 clubs in over 200 countries.

It is a non-political, nonreligious club and open to all cultures, races, and creeds. The RCS follows the guiding principle of Rotary International "Service above Self" and is composed of a diverse and cosmopolitan group of individuals aimed at making a difference. Our members are convinced that this is possible through engaging every member to contribute with their skills and knowledge. Our 80 members come from 20 different countries and have various vocational and educational backgrounds with strong roots in Shanghai.
